Submission for the investigation "Central West Investigation"

Submitted on **09-09-2018**

Title: **Mr**

Last Name: **Lorena**

Description:

Please don't lock out our parks. The small towns around these parks benefit from the tourism that comes with it. Bush walkers, detectorists, hunters and fishermen, prospectors all enjoy their time out in the bush. It is as much a part of our culture as it is our identity. The issue I see is illegal dumping of rubbish by people who do none of the above. I suggest no fee tipping landfills to prevent illegal dumping. I would like to see persons found guilty of dumping rubbish pursued as rigorously as drink drivers.
