Submission for the investigation "Central West Investigation"

Submitted on **02-09-2018**

Information provided by the author:

Title: **Mr**

First Name: **Tim**

Last Name: **Boyle**

Description:

I reject the draft report. I wish the status quo to remain as the state forest are huge and already a suitable refuge for flora and fauna and we should not be restricting any access as we need encourage outdoor activities for our increasingly fat and self absorbed nation. Get out into the forest that you say you protect and promote using it responsibly rather than sitting in your airconditioned offices making rules and wrapping everyone in red tape.
