## Submission for the investigation "Central West Investigation"

Submitted on **01-09-2018**

Information provided by the author:

Title: **Mr**

First Name: **Raymond**

Last Name: **Bladier**

Description:

I object to the proposed reclassification of the parks and forests. I'm a prospector, and love being in the bush with nature. It is stress relieving, and good for the soul. We look after the bush by removing the rusty bits of steel that we dig up , along with bullets,lead shot etc etc. . The hobby also supports a lot of small country towns. We only go to small towns and stay at caravan parks ,dine at the hotels and buy food from the shops, if we can prospect in that area. Why else would you go to these towns.
