Submission for the investigation "Central West Investigation"

Submitted on **01-09-2018**

Information provided by the author:

Title: **Mr**

First Name: **Mark**

Last Name: **Day**

Organisation: **E E Day & Sons P/L**

Description:

I totally reject your proposal , I run a small business employing 8 staff in Ballarat selling and supplying goods to the mining industry. VEAC,s investigation is obviously aimed at closing the bush down to discourage prospecting and "Prospector's ! These proposed changes take away Miners legal rights.Is this going to be start of another revolt against the crown. We will stand truly by one another and fight to defend our rights and liberties. These proposed changes would have a huge adverse effect on tourism and the survival of the many small towns and businesses. Not a happy camper ! ☹️
