Submission for the investigation "Central West Investigation"

Submitted on **10-09-2018**

Information provided by the author:

Title: **Mr**

First Name: **Brian**

Last Name: **Suters**

Description:

I reject the proposal of the Wombat state forest changes. Living in the heart of the wombat, we the people rely on the supply of wood for heating and cooking. If we are to source it from afar the price will be too detrimental for many. Using local wood also helps in keeping the forest floor clear of debris thus reducing fuels for a fire.
