Submission for the investigation "Central West Investigation"

Submitted on **06-09-2018**

Information provided by the author:

Title: **Mr**

First Name: **Rod**

Last Name: **Sanders**

Description:

To whom it may concern, I'm writing to let you know I as only one of thousands am deeply concerned with the proposal to make dramatic changes to State forest, changes that potential will block or substantially restrict my access and use of the bush. I am an avid user of the bush. I enjoy camping, prospecting and even just taking leisurely walks through the bush admiring the wildlife and surroundings. I along with thousands of fellow bush users feel our rights to access the bush is potentially being forcefully taken from us, and no consideration is being given to our thoughts and wishes to leave it as is. Please do not make these changes and leave us with our right to enjoy what we have.
