Submission for the investigation "Central West Investigation"

Submitted on **10-09-2018**

Information provided by the author:

Title: **Mr**

First Name: **Anthony**

Last Name: **Doran**

Description:

I am concerned that VEAC is going to take away some of the spots that I go prospecting if they turn more state parks into national parks. I took up prospecting and it has helped my depression so much. As a prospector I employees you to level the parks as they are and spend some time cleaning up the rubbish that is not dumped by prospectors
