## Submission for the investigation "Central West Investigation"

Submitted on **13-09-2018**

Information provided by the author:

Title: **Mr**

First Name: **Mick**

Last Name: **Iannello**

Organisation: **N/A**

Description:

I am deeply concerned about the future access to wombat state forest and surrounds for free camping, legalities of open camp fire, access to areas for hunting with a typical hunting licence and especially access to currently existing tracks and areas for 4wding. National parks tend to restrict public access and this will greatly impact regular users of the forest who currently enjoy it to its full potential.
