Submission for the investigation "Central West Investigation"

Submitted on **10-12-2018**

Information provided by the author:

Title: **Mr**

First Name: **Michele**

Last Name: **Iannello**

Description:

I am largely against the notion of a National Park, this would destroy local business input from tourism and the likes of touring, 4wding, camping, hunting, horse riding and exploring. Tighter rules are required to regulate logging and stricter rules may be required on hunting, or maybe enforcement needs larger funding allocations however a National Park is not the answer.
