Description:

I oppose the making of more parks in Victoria that limit the practices of bush users, those who use the bush to walk, shoot, fish, prospect, or just to camp in. Personally Im a prospector for gold. I enjoy the solitude and peace the bush offers and i also do my part in cleaning up the rubbish that makes its way into these areas. If such plans are brought into place my investent into my pastime will be worthless and whose going to compensate me for the \$20,000 Ive spent to persue my passion.....and it is a passion. I spend every weekend on the goldfields of Victoria every year and i go through great efforts to research my list of chosen goldfields, on line and at my local library every week ready for my next trip. And speaking of the trip, I journey to the Golden Triangle every year, camping at the Waanyarra free camp. Along the way I spend in the region of \$5000 in the local bakeries, fuel stops, supermarkets and the like which helps towns like Wedderburn, Dunolly and Inglewood but Im only one of tens of thousands of like mided bush users. The economy of those places will suffer in a detrimental manner if such moves are implemented and many may fall on hard times, even perhaps attempting suicide because of loss of lively hood . I ask those who can, to rethink this stupidity. The Australian bush is for all Australians. Leave it as it is. Its worked well for the last 200 yrs and will continue to. And please do not attempt to hide these submissions. Mine has been copied and is ready to send to any other judicial body should the occasion arise. I WILL NOT TOLERATE ANY BANS IMPOSED UPON THE LAND IN QUESTION AND WILL KEEP GOING REGARDLESS OF YOUR DECISIONS. YOU HAVE NO RIGHT TO BLOCK PEOPLE OFF THESE PUBLIC AREAS.
