Submission for the investigation "Central West Investigation"

Submitted on **19-09-2018**

Information provided by the author:

Title: **Ms**

First Name: **Shelle**

Last Name: **Newton**

Description:

You have a reputation for ordering unnecessary culls on our native wildlife. Bending the rules to suit your needs to be macabre. The sentence where you state that it is up to the discretion of the land manager proves that very point on hunting. What's to stop you from doing the same in what is my front yard? How do you assess that a permit can be rightfully issued to the right person? How do you know that they will kill humanely - you dont!! STOP THE KILLING OF ROOS NOW!!
