## Submission for the investigation "Central West Investigation"

Submitted on **19-09-2018**

Information provided by the author:

Title: **Mr**

First Name: **Lachlan**

Last Name: **nikolajew**

Description:

We should be opening more national parks up to hunters rather than locking them out of larger areas. Hunters are by far the best means to attack the rising deer populations instead you would rather waste tax payers money on culls. Open more land to hunters and reap the rewards
