

BACCHUS MARSH BOWMEN Inc.

28 BULLARD RD, GISBORNE VIC 3437
 Established 1979
 ABN 31 734 708 245

20th September 2018

Allan Driver

To VEAC.

Paul Peake
 Project Manager.

In relation to the Central West Investigation.

Our archery club has received the information on the proposal and I wish to clarify one item.

Looking at the map our archery club is on leased land and I believe it is shown in Orange.

It refers to it as Community use reserve.

Is this the case?

If the draft goes ahead it will not affect our licence or become a part of a National park or State Park.

We have been in this location for over 30 years as a well-established archery club providing interested people young & old to come & try the humble bow & arrow.

We have a very good relation with the Macedon ranges council & the DELWP

Yours in Archery
