Information provided by the author:

Title: **Mr**

First Name: **Janos**

Last Name: **Koros**

Description:

The proposed NP will take in all our current firewood area. Which we use to heat our home in Learmonth. It will also close the area's to hunting of pest animal's (foxes rabbit's and pig's) which we do on a regular basis. It will also close area's where I take my old uncle gold prospecting. My family and I are 100% against this proposed National park. Regards Janos Koros
