Submission for the investigation "Central West Investigation"

Submitted on **01-10-2018**

Information provided by the author:

Title: **Mr**

First Name: **gary**

Last Name: **ingleton**

Description:

I have been exploring these area's for close to 40 years , by car , motorcycle (fully registered) and 4WD, often camping with my family and friends . Why do they have to be locked away for access only by the small minority. The authorities have done more damage in the cobaws with 2 out of control burnoffs.
