Description:

The Wombat state forest should not be turned into National Park. I use the forrest all the time for 4wding and for walking my dog.If you were to make it National Park my dog would not be allowed in and 4wding would extreamly diminished. Many people use the wombat to explore and get outdoors. In a day in age when the government is trying to get people active and lose weight they are also trying to get rid of our state parks which will cut out most of the people who use them.Restricted motorbike use, Restricted 4WD use, Restricted camping, No Dogs, No Hunting, No Prospecting. Who is going to be able to use the forest nobody. LEAVE IT A STATE PARK
