Submission	Hi I agree their should be regulation of parks/ forests etc however I don't agree with banning people from enjoying them, people who abuse them should be fined/prosecuted but their should be reasonable access to all bush users. I don't agree with banning people from them, please manage them fairly for all, banning people is not the answer. I DON'T AGREE WITH THE CURRENT PROPOSEL OF EXTENDING THE AREA OF NATIONAL PARKS AND KICKING PEOPLE OUT. PLEASE RECONSIDER
