Submission for the investigation "Central West Investigation"

Submitted on **19-10-2018**

Information provided by the author:

Title: **Ms**

First Name: **Sylvia**

Last Name: **Bennett**

Organisation: **Ms**

Description:

I am writing in objection to the continuing restrictions to the fair public use of our forests. The enjoyment of hiking or camping in the bush is becoming more and more difficult, especially if you have a dog. I can't see how a dog restrained on a leash could possibly harm the bush or wildlife.
