Submission for the investigation "Central West Investigation"

Submitted on **18-10-2018**

Information provided by the author:

Title: **Mrs**

First Name: **Allison**

Last Name: **Mason**

Description:

As a responsible horse rider I'm appalled that this is even being contemplated. Keeping us out of our bush is ludicrous! Horse riders love our parks and would do anything to protect them. The damage caused by 4wd is not only dangerous to us all but an eyesore to those who want to treat the bush with the respect it deserves. It's all about the \$, registered vehicles pay , maybe this could be a conversation about a levy for horse riders then we wouldn't be having this conversation!
