## Submission for the investigation "Central West Investigation"

Submitted on **18-10-2018**

Information provided by the author:

Title: **Mrs**

First Name: **Monique**

Last Name: **Bergbauer**

Description:

I care for our bush land but not allowing horse riding within the areas currently allowed is not a solution! Certainly list rules, stick to tracks, removal of manure etc however do not lock us out. Its disgraceful. It will also force horse riders onto our over busy roads and result in an increase in accidents. A high percentage of motorists do not change their driving around horses and its absolutely terrifying. We need large areas to ride, you are putting our lives at risk.
