Submission for the investigation "Central West Investigation"

Submitted on **18-10-2018**

Information provided by the author:

Title: **Ms**

First Name: **Mandy**

Last Name: **Tucker**

Description:

I feel horses are not doing the damage in cobaw state forest. Many people in the horse community ride in these hills, sticking to the tracks, seeing the wildlife, and respecting the flora along the way. The possibility of closing the cobaw state forest will devastate the lifes of so many in the lancefield community.
