Submission for the investigation "Central West Investigation"

Submitted on **20-10-2018**

Information provided by the author:

Title: **Mr**

First Name: **Shane**

Last Name: **Campbell**

Description:

I do not agree with the proposed ban of horse riding activities and dog walking or the ban on prospecting. They aren't banning car rallies, motor bikes and four wheel drives who make a huge mess and smash down trees. I bought my home here 10 years ago so I could participate in rural living and the lifestyle. My home will loose its resale value, and all the improvements I have added will not be able to recover. It will be a devastating blow to the community who live in our street as we all have horses and use the bush for our recreational pursuits, for healthy living and wellbeing.
