## Submission for the investigation "Central West Investigation"

Submitted on **27-10-2018**

Information provided by the author:

Title: **Mrs**

First Name: **Janine**

Last Name: **woolnough**

Description:

How dare you try and lock up our public land. I am a regular bush user and look and keep an eye out on what is happening. I report any wrong doings and save injured wildlife. This is my place to relax and leave my corporate life home. I want my grandchildren to enjoy and have access to this wonderful land. I want to teach them the names of the wild flowers and show them in their natural environment. Consult the bush users and the local communities before you make any decisions as they are the ones that are the eyes and ears of the bush. I reject VEAC,s report.
