Submission for the investigation "Central West Investigation"

Submitted on **01-11-2018**

Information provided by the author:

Title: **Mr**

First Name: **Matthew**

Last Name: **Parkinson**

Description:

I wish to lodge my strongest objection to the submission for parts of the Welsford forest to be closed to horse riding. As a regular rider in the park, we care very much for the environment and leave no adverse impact on the park.

There is more evidence of local fauna than our horses. I do believe that the four wheel drive vehicles affect the environment terribly and should be banned.
