Submission for the investigation "Central West Investigation"

Submitted on **04-11-2018**

Information provided by the author:

Title: **Mr**

First Name: **Ed**

Last Name: **Gruneklee**

Description:

My family and I love and respect the bush and go camping and riding in these forests. I am angry and appalled that you would consider turning these areas into National Parks with even more restrictions and no access. I reject your report and ask that a proper consultative group be formed from ALL bush user groups
