## Submission for the investigation "Central West Investigation"

Submitted on **04-11-2018**

Information provided by the author:

Title: **Mr**

First Name: **Trent**

Last Name: **Peters**

Description:

My family and i travel to Victoria several times a year to prospect and to enjoy the outdoors as a family during our stays we spend money locally helping small businesses and communities not to mention the respect we have for our bush ensuring not to leave any sign or disturbance of the natural habitat what so ever. It is disturbing to think these plans of change are even being considered. If these plans go ahead i am more than sure they will have massive impacts on the local economy that may not be able to be undone creating yet more ghost towns. Please think this through before implementing yet another brain fart of an idea.....
