Submission for the investigation "Central West Investigation"

Submitted on **07-11-2018**

Information provided by the author:

Title: **Mr**

First Name: **Shane**

Last Name: **Dooley**

Description:

I along with my wife and 3 young boys regularly head to the state forests on weekends for camping, fishing and just to be in nature and to get the kids away from video games and devices. If state forests are locked up I'm afraid the only people who will be hurt are those that love nature and take care of the forests as the minority who actually cause issues, dump rubbish and destroy our great parks will then continue to do so unnoticed
