Submission for the investigation "Central West Investigation"

Submitted on **12-11-2018**

Information provided by the author:

Title: **Mrs**

First Name: **Susan**

Last Name: **Waters**

Description:

The wombat state forest is my backyard,I don't want it to be changed in anyway . With this idea of making it a national park the dangers of Bush fires will increase, the bush will not be thinned out (not logging), which increases the risk. People enjoy what they do in the bush dont take that away from them. Jobs will be lost due to very little work for Delwp employees.
