Submission for the investigation "Central West Investigation"

Submitted on **12-11-2018**

Title: **Mr**

First Name: **Wally**

Last Name: **Zanker**

Description:

I am absolutely disgusted that this is even being thought that land can be locked up. We, the Australian people all own this land and as so should have access to it. We travel to Victoria regularly to pursue our hobby of prospecting. We spend money at caravan parks, pubs, shops and service stations to name a few spots. If this goes through we will never be back and we can honestly say that many others will not be back either. The result will be bad for business's small and large. We cannot believe that the government could do this or the people on the committee looking at this cannot see past their blinkers to see the problems this will cause. WE SAY NO TO THIS PROPOSAL
