Submission for the investigation "Central West Investigation"

Submitted on **09-11-2018**

Information provided by the author:

Title: **Mr**

First Name: **PAUL**

Last Name: **GLADMAN**

Description:

To maintain feral animal populations hunting needs to remain. Turning to a park will only protect feral animals. As it costs government a fortune to control hunters are willingly taking the cost on board as they enjoy the hunt and knowingly love eradicating feral species so as to bring native species back from small numbers. Cats and foxes are a huge problem and it would be foolish to make it a park. Horse riders and motorbike riders need a space to ride.
