Submission for the investigation "Central West Investigation"

Description:

I believe Wombat State Forrest should remain as "Forrest Status' with its current access and restrictions.I as an avid camper find Wombat one of the few areas I and my small dog can access within an hours drive from home.The banning of dogs in Wombat (or restrictions on dogs) will mean I have to find alternative "bush" to enjoy my favourite pastime.I also dislike the idea of designated campsites which further restricts my enjoyment by having to set up in massively cleared areas with other campers some of who are noisy and inconsiderate to other campers. I much prefer the peace and solitude of a "TRUE BUSH CAMP" far away from the madding crowd.WHICH IS WHY I GO CAMPING IN THE FIRST PLACE!!!
