Organisation: **Northern Victorian Sled Dog Club**

Description:

Dear whom it may concern, I am writing to you on behalf of our canine sporting group, Northern Victorian Sled Dog Club. The Northern Victorian Sled Dog Club is a not for profit sporting club which coordinates dryland dog sledding events throughout Victoria. Many of these events involve providing our members with dog sledding boot camps and races, which are often held in state forests and regional reserves, such as the Wellsford State Forest. Along with our own canine sporting group, the Northern Victorian Sled Dog Club also coordinates their activities with other canine groups which utilise the proposed affected state forests, ie: Wellsford State Forest. Without the utilisation of these forests, our members and their canine companions can not promote and increase progression of our unique sport. The purpose of our events being held in these forests is to provide our dogs and members with a safe environment for them to train and race their dogs. Thank you for your time, and please consider this submission for the future of our growing sport. Vanessa Kydd Secretary & Fundraising Coordinator Northern Victorian Sled Dog Club
