Submission for the investigation "Central West Investigation"

Submitted on **19-11-2018**

Information provided by the author:

Title: **Mrs**

First Name: **Heather**

Last Name: **Lee**

Description:

Total & complete access to forestry & parks is detrimental to our livelihoods due to training young horses and safe riding spaces for our children. They are safe environments away from main roads where children can play, ride, walk, train & practice. A safe place to walk our dogs. A safe environment for our children to ride their bikes & motorbikes away from busy roads and traffic.
