## Submission for the investigation "Central West Investigation"

Submitted on **24-11-2018**

Information provided by the author:

Title: **Ms**

First Name: **Claire**

Last Name: **Nankivell**

Description:

I am horrified at the plans to take away this land from public users. We have just purchased a property specifically so that myself and my children have a safe environment to ride our horses without having to use the highway. Car rallies and dirt bikes would do far more damage than horses would and yet they will still be allowed. Bloody ridiculous. We have worked bloody hard and saved our hard earned money to buy our dream property and now you plan on taking it all away in one foul swoop without considering the impact on local residents. Bloody disgraceful.
