Submission for the investigation "Central West Investigation"

Submitted on **26-11-2018**

Information provided by the author:

Title: **Mr**

First Name: **Bradley**

Last Name: **Ivers**

Description:

The Wombat State Forest SHOULD NOT become a National Park. There are so many recreational users of the forest they will miss out on enjoying the great outdoors. I thought we were trying to encourage outdoor play & the love of nature not shutting State Forests & forcing children to play more video games because there is no bush land for them to play in & enjoy... It's a joke...
