## Submission for the investigation "Central West Investigation"

Submitted on **27-11-2018**

Information provided by the author:

Title: **Mr**

First Name: **Jeremy**

Last Name: **Taylor**

Description:

I am a local resident of the Bullengarook Area. We were drawn to the area for the close proximity to the STATE Park. My partner and I are regular users the the Park, my partner enjoying the us of the trails for Horse Riding and myself for firewood collection. We have no issue with closing the park to Mining and Forestry but to close the area to all other recreational pursuits is robbing the community of an opportunity to enjoy the beautiful area.
