Submission for the investigation "Central West Investigation"

Submitted on **27-11-2018**

Information provided by the author:

Title: **Mr**

First Name: **Justin**

Last Name: **O'Hara**

Description:

To whom it may concern. I would like to formally object to the creation of the Wombat National Park. The creation of this park would heavily restrict my entire families main pleasure activities including horse riding, free camping, 4wd, walking dogs, fire wood collection and hunting. We have been living close by and using the Wombat on a weekly basis for over 20 years and it would be devastating for us all to loose our access to such a wonderful family tradition. I would like to see the Wombat better managed and taken care of but locking it up is not the answer.
