Submission for the investigation "Central West Investigation"

Submitted on **28-11-2018**

Information provided by the author:

Title: **Ms**

First Name: **Donna**

Last Name: **Fabris**

Description:

We live on the Cobaw forest and support the recommendation of the conservation overlay. Our concern is a business that exists on the Cobaw perimeter which is shooting range that wants to increase its operating hours. The noise generated from this business does not fit within the conservation goals and we are concerned for the wildlife and park serenity.
