Submission for the investigation "Central West Investigation"

Submitted on **29-11-2018**

Information provided by the author:

Title: **Mr**

First Name: **Kieran**

Last Name: **Adamantine**

Description:

This area is used for hang gliding and paragliding, and has been since the creation of the sports creation in the 1970s. Airsports such as hang gliding and paragliding are full of people who enjoy the outdoors and represent a diverse range of people from a huge variety of backgrounds. Hang gliding clubs, such as the Western Victorian Hang Gliding Club have a solid history of maintaining and encouraging responsible use of sites such as [Ben Nevis](#) and Mt Sugarloaf. I encourage the VEAC to add hang gliding to the list of allowed activities to ensure the continuation of the sport and responsible land use. Kind Regards
Kieran Adamantine
