Submission for the investigation "Central West Investigation"Submitted on **22-11-2018**

Description:

Hi, Orienteering Victoria is the governing body for Orienteering in Victoria and actively supports the many forms of this popular sport, enjoyed in a wide variety of locations across the State. The locations for our sport includes areas of Victorian forest; over the last 50 years we have produced maps of these locations and hold events on the maps. Prior to conducting events we undertake a process of seeking permissions from land holders and DELWP. I note in the Central West Investigations documents many locations are included where Orienteering Victoria has maps and conducts events. Orienteering Victoria is keen to continue using these maps and locations, and indeed our recreational activity would be largely impacted and reduced if we could not continue to use them. I am keen to participate in the consultations. What is require of me to do that? Thanks and regards, Carl Dalheim, Orienteering Victoria President.
