Submission for the investigation "Central West Investigation"

Submitted on **05-12-2018**

Information provided by the author:

Title: **Mrs**

First Name: **Jodi**

Last Name: **Kelly**

Description:

I am against the closure of the wellsford forest. We live directly opposite the Forrest and have only lived there for 18mths. We specifically purchased our property to enable our 13yr old daughter to ride her horses in the forest. To take this away from her not only puts her life in danger having to ride along main Rds but inhibits her education / lessons on the freedom of riding. I know i'd prefer my daughter in the bush riding her horse than in front of a computer or worse still hanging around in town not knowing what she is doing. We like others stick to the roads of the forrest when riding / walking our dog.
