Submission for the investigation "Central West Investigation"

Submitted on **05-12-2018**

Information provided by the author:

Title: **Mr**

First Name: **Peter**

Last Name: **Kelly**

Description:

As a parent we can only hope that our children get to enjoy some of the pleasures in life that we and many other people in the past were able to enjoy! Such as riding a horse in the forest ,walking the dog on the marked tracks and roads. Having relocated and moving directly across from the welsford forest to enjoy the activities mentioned above with my daughter only to find out that there is a proposal to ban these activities. What a shame if this ban goes ahead, where does my daughter go to enjoy a hobby she is so compassionate about? When we have a forest across the road that we should be allowed to use.
