Submission for the investigation "Central West Investigation"

Submitted on **05-12-2018**

Information provided by the author:

Title: **Mr**

First Name: **George**

Last Name: **Briggs**

Description:

To whom it may concern I have been visiting the Victorian goldfields for the past 26 years to detect for gold and relics two or three times a year making it a great holiday place for me and my wife and my son Rodney who's now making the same experience his and I will be very disappointed with anything that reduces my access to the State Forests. It would be hard to calculate the amount of our money we have spent in the golden triangle over the years at the townships we have stayed in and if the forests are off limits to us then we will be travelling to Western Australia instead to spend our tourist DOLLARS.
