Title: **Mr**

First Name: **James**

Last Name: **Pethybridge**

Organisation: **Blackwood Rdge Nursery & Cafe**

Description:

As a long-term property owner and business operator located in the heart of the newly proposed National Park (Greenhills Rd, Blackwood), I am very excited that the areas natural beauty will be protected and preserved into the future for my business this will be a direct benefit with increased tourism opportunities for promoting bushwalking, mountain bike riding etc. My only submission in regard to the National Park is that consideration been given to the restriction of trail bikes and 4wd activities in the headwater areas of the park, in my area the watercourses and streams have been degraded due to inappropriate use by recreational vehicles this leads to the proliferation of weeds and could spread fungal diseases like armillaria and phyophera carried in soil on vehicle wheels which would have a devastating effect on the environment.
