Submission for the investigation "Central West Investigation"

Submitted on **03-10-2018**

Information provided by the author:

Title: **Mr**

First Name: **Sean**

Last Name: **O'Keeffe**

Description:

I strongly support the creation of the Wombat Lerderderg National Park, Pyrenees National Park, Buangor National Park and the conversion of public lands to conservation reserves. I believe that the Mt Cole area should also be included as a National Park. As a local resident I have visited these areas for many years and believe they are wonderful places that should be fully protected and resourced for both future generations and the native species that depend upon them today.
