## **Submission for the investigation "Central West Investigation"**

Submitted on **27-06-2017**

Information provided by the author:

Title: **Mr**

First Name: **Daryl**

Last Name: **Bowker**

Organisation: **PMAV Central Goldfields**

Description:

Please do not proceed with any new parks that excludes access that currently exists in this state. My observation in the past of the parks in this area, "Central Victoria", have shown me that all that results is a lockout of the majority of the public who currently use this land for good purpose. Proceeding with this proposal is nothing more than a disgrace to the memory and freedoms of past generations who fought hard to maintain basic rights in this country to fully enjoy and use what it has to offer. I will stand firm on this principle as many have in the past and work to defend this at all times.
