Submission for the investigation "Central West Investigation"

Submitted on **27-06-2017**

Information provided by the author:

Title: **Mr**

First Name: **Phillip**

Last Name: **Elford**

Description:

I am writing this submission in protest against the closure of certain areas in Victoria for prospecting. My partner and I travel to Victoria for this purpose and strongly believe it would be devastating not only to the people that do this hobby but the townships, caravan parks, businesses ect ect that generates this extra revenue. As I mentioned am strongly against this decision if made, and I am sure there would be thousands that would feel the same way.
