Description:

Hi, My wife and I travel through Victoria, NSW, Queensland and return home via WA each year. We are away for seven months of the year. We are retired and spend our time prospecting for gold. We stay in the Victorian gold fields for around two months each year and spend approximately \$ 1,000 per week. If you start restricting access to gold country we will not have a reason to visit your state. Our only option will be to travel directly to Tibooburra NSW and then to Clermont QLD. Your Choice.
