Submission for the investigation "Central West Investigation"

Submitted on **10-07-2017**

Information provided by the author:

Title: **Mr**

First Name: **Jerry**

Last Name: **Dieben**

Description:

I am a prospector and travel regularly. If prospecting areas are locked up I will have no reason to spend time and money in the Victorian countryside. Having a few small areas to prospect in, is not sufficient attraction. Lorraine and I will spend our retirement funds elsewhere.

Description:

With respect to traditional rights to prospect/pan for gold on public land. *
CHANGES TO DESIGNATION of public land must not restrict in any way,
access and rights that the public currently enjoy. * Public land must remain
freely available for the use of the general public, with the restriction that said
impact is less than the impact caused by industry and/or commercial mining. !!
